

Where's the lucky nut?

Pick which square you think is hiding the 'lucky nut' for your chance to win and at the same time help Orchid fight male cancer.

How to play:

1. We suggest you give a voluntary donation of £1 to your 'Where's the lucky nut' competition organiser and make a guess as to which square the lucky nut is in. Squares range from 1 to 50.
2. Pick the square that you think is hiding the 'lucky nut' and write your name in the space provided.
3. Once all the squares have been filled your competition organiser will reveal the winner!
4. The winner receives half the money raised. The other half is donated to Orchid. We suggest a voluntary donation of £1.
